POWER TOOLS

Mineral dust may cause cancer!

Hazardous dust (e. g. silica dust) has to be suctioned by a Dust Class M Vacuum Cleaner!
For our electric power tools we are recommending to use a Vacuum Cleaner of our Eibenstock DSS range!

CONCRETE GRINDER

**EBS 180 F – With floor guiding device
for relaxed working in upright posture**

The concrete grinder with height-adjustable carriage for better grinding result

Ø 180

Specifications	EBS 180 F
Power input	2500 W
Rated voltage	230 V ~
No-load speed	8500 rpm
Disc diameter	180 mm
Spindle connection	Ø 22.2 mm
Weight	10.5 kg
Order no.	0634H000
Supplied	in a box incl. diamond-grinding wheel (concrete) and assembly tools

USE:

- Grinding and smoothing of surfaces
- Removing of residual mud, plaster and coatings
- Preparing of surfaces, e.g. for tile renovation
- For every surface: PCD-grinding wheel with monobloc diamonds – high removal rate and long lasting (accessory)

FEATURES:

- Powerful 2500 W motor
- Motor arrangement vertical in a low dust zone – durable
- Electronic – soft start, temperature control and over current cut-off
- Segment on the dust guard detachable – for grinding directly to the edge of the work area
- Brush rim – high suction power for dust-free working by connecting an industrial vacuum cleaner (accessory) to the 35 mm nozzle
- Tilt-adjustable floor guiding device and additional handle adjustable in height – optimal adjustment to the body height of the operator for a comfortable guiding

Accessories	Order no.
Diamond-grinding wheel concrete Ø 180 mm	37112000
Diamond-grinding wheel screed Ø 180 mm	37111000
PCD-grinding wheel Ø 175 mm, round segments	37119000
Brush rim, 2 parts	37227000
